South Pacific Division
Population, 38,212,000
4 Unions
34 Local Missions/Conferences
Churches, 2,030;
Membership, 454,586;
Strengths

• Church is well known especially in the South Pacific
• Our Health message/Excellent Health resources
• Amazing results in Health Ministry
• Committed workforce
• Health courses - Avondale/Fulton
• Health curriculum in schools
• Strong hospital system – SAH/Atoifi Adventist Hospital
• Use of media/health websites
Challenges

• Wide geographical territory
• NCD Burden
• Expensive in terms of travel
• Health directors – local Missions/conferences
• Limited funding
• Unhealthy workforce (Adventist Health study)
• Administrators/Pastors understanding the importance of Health
• Attrition rate
